

Your Healthy Snacking SOLUTION

Promoting partnerships for better Health!

and medicine be thy food” -

Hippocrates

CONVENIENT, AFFORDABLE ...and HEALTHY?

Lack of healthy eating options around the clock. You can't always anticipate what course your day will take. Between meetings, appointments, various deadlines and commitments, it's easy to find yourself lost and surrounded with an abundance of unhealthy food options. Take a look around and you will see it's tough to find nutritious and healthy snacks that are convenient and accessible. **We provide a healthy and convenient snacking solution.**

A false perception that eating healthy is unaffordable. Sometimes healthy foods can come with a premium price tag, but that's not always the case. There are many distributors that are starting to focus on providing healthier snacking options. If healthy eating

wasn't in your budget, our competitive pricing strategy will help you squeeze it in. **We specialize in sourcing affordable healthy snacking options by working with multiple food distributors.**

“

The more you eat, the less flavor, the less you eat, the more flavor.

-Chinese proverb

”

Accountability. Many people need a helping hand to get them into a new routine. It can be tough doing it alone. Like anything else, food is a choice, but when the environment doesn't provide appropriate options, who's really accountable? **We work with your organization to promote healthier options. Lead the Field, acknowledge health as a priority.**

JOIN US: A PARTNERSHIP FOR A HEALTHIER CANADA

We donate a portion of our proceeds to the **Canadian Breast Cancer Foundation** as a part of the **FEEL GOOD SNACKS EVERYDAY PROGRAM**. Our program is a great way to promote health awareness and empower people to start making health-wise decisions today. **When it comes to your health, the best time to start making changes was yesterday.**

OUR SERVICE COMMITMENT AND PRICING

With our remote inventory and expiry tracking system, we are able to ensure all machines are continuously stocked with fresh products. The machines feature attractive LED lighting and are eco-friendly with efficient power consumption. The machines can accept cash or debit/credit to complete transactions. We can also accommodate other site-specific requests for payments/payment cards as necessary.

We can place up to 10 machines at a time and installation is completely FREE of charge. In subsequent months, we will continue to work with your organization and can install more machines based on the demand for our services.

THE NEXT STEP

The wellness of your organization starts here, please give us a call or send us an email to set an appointment to meet. We would love for the opportunity to sit down and discuss things further. We look forward to working with your organization.

Thanks,
Raman Gill
